

White Oak Museum Visitors

Renee Wright

Identity and the Museum Visitor Experience John H Falk, 2016-06-16 Understanding the visitor experience provides essential insights into how museums can affect people's lives. Personal drives, group identity, decision-making and meaning-making strategies, memory, and leisure preferences, all enter into the visitor experience, which extends far beyond the walls of the institution both in time and space. Drawing upon a career in studying museum visitors, renowned researcher John Falk attempts to create a predictive model of visitor experience, one that can help museum professionals better meet those visitors' needs. He identifies five key types of visitors who attend museums and then defines the internal processes that drive them there over and over again. Through an understanding of how museums shape and reflect their personal and group identity, Falk is able to show not only how museums can increase their attendance and revenue, but also their meaningfulness to their constituents.

The Museum Manager's Compendium John W. Jacobsen, 2017-09-22 The Museum Manager's Compendium: 101 Essential Tools and Resources helps you make and implement your decisions as a museum manager and strategic planner. This book's 101 sections present a treasure trove of definitions, diagrams, processes, choices, and worksheets, in major areas of museum management. Collectively, they reflect the literature and contributions of some of the field's best thinkers. The resources distill half a century of museum experience over hundreds of projects done by scores of talents and experts internationally for all types of museums. The Museum Manager's Compendium can be used as: A frequent reference book to consult when facing decisions or planning for the future A source of examples and templates of common museum reports A source of answers and options for strategic planning questions A crib book to extract text when drafting internal proposals and plans A primer when welcoming new partners and Board members A quick study and refresher of key aspects of museum practice An orientation to new staff A glossary for building shared definition among team members The Museum Manager's Compendium is for museum professionals—leaders, managers, coordinators, professional counsel, contractors, evaluators, supporters, and policy makers—to use often. It is a must-own reference book for every museum professional responsible for decisions and implementation.

Civil War Sites Civil War Preservation Trust, 2007-11-01 This easy-to-use guide, completely revised and updated in clear, concise prose, features more than hundreds of sites in 31 states--solemn battlefields, gracious mansions, state parks,

cemeteries, memorials, museums, and more. Specific directions, hours, and contact information help to plan the trip; evocative description and detailed maps help orient you when you're there. Also, boxed sidebars highlight select people and events of the Civil War.

National Geographic the Civil War National Geographic, 2016 Published in association with the Blue & Gray Education Society.

The Effective Museum John W. Jacobsen, 2022-09-30 The aim of The Effective Museum: Big Ideas to Increase Impact is to provide every museum professional with practical ways to be more effective at achieving their intentional purposes. The short, pragmatic book provides museum professionals and students internationally with new perspectives on how to organize and run museums more effectively.

25 Best Civil War Sites Clint Johnson, 2005 This guide brings history to life with richly detailed, engaging descriptions of the most important battle sites, museums, and reenactments.

Measuring Museum Impact and Performance John W. Jacobsen, 2016-03-15 Based on extensive research and decades of experience, museum analyst and planner John W. Jacobsen provides both the theoretical underpinnings and the operational pragmatics of measuring any museum's intentional impact and performance by using 1,025 indicators drawn from 51 expert sources. *Measuring Museum Impact and Performance: Theory and Practice* provides museum professionals internationally with a clear, very open process that will improve their museum's value and performance by selecting indicators that monitor whether they are realizing their desired public, private, personal and institutional values. The book is not prescriptive, but liberating, as the framework recognizes that each museum needs to decide on its own purposes and priorities. The book is organized in two parts: Part 1: Theory is scholarly and builds on the museum field's rich literature; and Part 2: Practice provides step-by-step methods for any museum to set up its own dashboard of prioritized impact and performance indicators. Substantive attachments include: the list of the 51 source documents for the MIIP indicators; definitions of terms and data fields; a long list of precedented museum impacts; measurement formulas and worksheet templates, filled in for a sample museum; and the MIIP 1.0 database available online. Readers will get the following benefits: A literature review of prior work on measuring museum value An analysis of eleven well-established evaluation frameworks that synthesize into a revolutionary, yet practical, Museum Theory of Action A robust and searchable menu of 1,025 existing

and aspirational indicators (the MIIP 1.0 database) that you can use to start your own selection An analysis of the MIIP database using the Theory of Action that reveals 14 areas of potential museum impacts and benefits A process to select and prioritize your museum's intentional purposes and desired impacts A process to determine, measure and compare your museum's key performance indicators (KPIs) A process to set-up and conduct peer museum comparisons Procedures and examples of how to capture and report data used in your selected indicators Principles for using indicator data to inform museum management decisions

The Getty Villa Marion True, Jorge Silveti, 2005 The original Getty Museum, housed in a replica of a Roman Villa on a site overlooking the Pacific Ocean, is one of Los Angeles's most treasured landmarks. Closed for almost ten years while renovations were made to the building and the site itself was transformed into a center for the study of antiquities and conservation, the Getty Villa is now set to open late in 2005. The Getty Villa is a lively history of the Getty Museum, its renowned antiquities collections, and its growth from a small museum in a ranch house in Malibu to its first home in a building designed to replicate what we know of the Villa dei Papiri, an ancient Roman villa partially uncovered in Herculaneum. Most engagingly, this book records the ten-year adventure in reconfiguring a beautiful, but topographically challenging, site into one that could continue to accommodate the splendid Museum building and also provide for an outdoor theater, laboratories for conservation work and research, offices for staff and visiting scholars, and an education program for adults and children. This is a story of architectural imagination, geographical challenges, and legal hurdles, all of which have resulted in a truly unique and beautiful site. The story is an enlightening and rewarding one for anyone interested in architecture and in the difficulties posed by building on a grand scale in the twenty-first century. Beautifully illustrated throughout, the book includes 250 reproductions of works of art, photographs of both the old and the new Getty Museum, site plans, and architectural elevations.

Free Tours, Museums and Sites in America Lee Ellis, 2003 This book describes the tours, museums and sites in the states of Alabama, Arkansas, Louisiana, Missouri, Mississippi, Oklahoma, Tennessee and Texas that are FREE. This book shows where learning and fun come together and provides a relief from high priced vacations. Among the tours, museums and sites one can experience are: Wine & Brewery Tours, Food Tasting Tours, Automobile Plant and Mfg. Tours, Farm & Ranch Tours, Driving Tours of Famous Homes, Art Museums, Science Museums, Transportation Museums, Cultural Museums, National Monuments and Historical Sites, Zoos and Botanical Gardens.

Virginia Review, 2002

The Big Book of Civil War Sites Eric Ethier, 2011-02-01 The definitive travel reference for America's most famous—and infamous—Civil War battle sites: a tribute to the war's 150th anniversary (2011-2015) With *The Big Book of Civil War Sites*, history-focused travelers finally have ready access to in-depth and thorough listings of all sites associated

with the major battles of a devastating war that transformed the nation. Whether for exploring the Southern states or the Eastern theater, this book provides a full range of historical background information, travel and lodging options, museums, tours, and special events. Top attractions in the North include the National Civil War Museum in Harrisburg, Pennsylvania; Gettysburg National Military Park; and Harpers Ferry National Historical Park. In the Southern states—from the Outer Banks of North Carolina to the Mississippi Delta—readers will discover the fascinating and varied world of Civil War history and read detailed accounts of battles in North and South Carolina, Tennessee, Georgia, Alabama, Mississippi, Florida, and Louisiana. The Big Book of Civil War Sites includes: * Thorough listings of all major sites, including historical background information * Full-color photographs throughout * Special features on military and civic leaders * A glossary of Civil War terminology * Directions to hard-to-find locations * Helpful listings of restaurants, lodgings, shopping, tours, and special events

New Mexico Weigl Publishing, Inc.,2008-05-01 New Mexico: The Land of Enchantment, is a part of the Discover America Series.
